Logmein Free Sign up

Remember I will be on the phone with you when you sign up.

The First thing we have to do is.
Sign you up for a free logmein account.
  so....
1. Go to Logmein.com (next)
2. Go to the Products page and choose
3. "LOGMEIN FREE"
   it is in the pulldown menu on their
   home page

This is NOT the free that you are looking for
(this just a 30 day trial version)

the version we are looking for has an
unlimited use).

The version we will be using is free for your
 use. (Once again, it is unlimited in time)
 All of the other versions offered will cost
 money.
 Later on, if you feel the need you can pay for
Logmein PRO.
 I do not believe that you will ever need
 anything more than the free version.
 What we are attempting to do is have a process
 that enables "ME" to see what "YOU" are doing
when you are having problems on your computer.
In simple words I can see what "PAGE' YOU ARE
ON BEFORE YOU GET YOURSELF IN
TROUBLE

It looks like this
It will actually say
LOGMEIN FREE, when
you click on this
link it will take you to a
page.
It will have a
picture on it that
<<<< looks like.
On this page it will say
"DOWNLOAD NOW"

NEXT

Now you will go to a page that will allow you to signup for a free Logemein account.
First You will
1. HAVE TO ENTER YOUR EMAIL ADDRESS (two times for confirmation)
2. IT WILL ASK FOR A PASSWORD
I WILL GIVE YOU A PASSWORD TO USE,
THIS PASSWORD WILL ONLY BE USED by ME TO ACCESS YOUR COMPUTER.
(more on this further down the list)
3. Where it says Do you want to use this for IT
support choose NO by clicking on the link

4. NOW WE CAN INSTALL THE PROGRAM this is very simple
all you have to do is follow the directions, and do not get confused and Chicken Out!!!.
